

Golden Arch Montessori School

.....since 2004!!!

Dear Parent,

Thank you for all your support during the academic year 2015-16. We have ensured that every child has taken a step forward towards good with respect to their academics, skills and values. We have also discussed that Montessori program is for 3 years for age group 3-6 years, and similarly for 6-9 and 9-12 years. As we are moving into the last term of the year, hence request you to confirm your continuation with us, as it will enable us to freeze on the available seats for the New Admissions. Please pay the Maintenance and Activity fee as the confirmation amount by January 25th 2016. Please also feel free to discuss with us if you have any clarifications. For level 3 children moving to Grade 1 there will be an interview as we have limited seats. Please call the Office and book your interview slot at the earliest.
